Hello and good morning Mark. You likely received my email that I was out for the week. This week is no good as well as I am facilitating a Lean event within the agency. It appears that Wed, May 23, is the earliest I can discuss the results. IF you could please send a meeting invite so that we can arrange a time. As of right now I have no engagements so the earlier the better.

Thank you

Good Morning George,

We have compiled the additional sampling results from our agreed upon sampling plan. I have attached them for your review. I would like to set up a conference call to go over the results once you have had a chance to review. Please let me know if you need anything else to help facilitate your review.

Regards,
